I have personally advocated to  
[@realDonaldTrump](#) to pardon [@CadeCothren](#)  
 who was targeted by Biden's DOJ, persecuted by  
 the FBI and other agencies, and is now facing 20  
 years in prison for what amounts to a false, TN  
 State, minor infraction. See his story below and  
 pls repost:

Nearly three years ago, a swarm of heavily  
 armed federal agents arrived at my door,  
 battering rams in hand, to arrest me following  
 an indictment.
